OBJECTIVE

I am passionate about providing exceptional support as a virtual assistant, specializing in e-commerce and customer service. With a strong background in managing online stores, particularly on Shopify, I thrive in fast-paced environments where I can use my organizational skills and attention to detail to streamline operations. My experience in customer service has equipped me to effectively address client needs while maintaining a positive experience. I'm excited to bring my problem-solving abilities and proactive approach to help businesses grow and succeed in the digital marketplace.

MISSION

I am passionate about providing exceptional support that empowers businesses to thrive in the fast-paced world of e-commerce. As a General and Shopify Virtual Assistant, I streamline operations, manage online platforms, and enhance customer experiences with empathy and efficiency. I thrive on problem-solving and communication, ensuring each interaction is meaningful and impactful. My mission is to leverage my skills in customer service, organization, and e-commerce strategies to help businesses achieve their goals and foster lasting relationships with their customers. I believe that behind every successful operation is a dedicated virtual partner.

GOAL

I aspire to excel as a General Virtual Assistant, leveraging my organizational and multitasking skills to support clients in achieving their goals efficiently. I am particularly passionate about e-commerce, aiming to specialize as a Shopify Virtual Assistant, where I can apply my knowledge in online retail and customer engagement. My goal is to create seamless experiences for customers while driving sales and optimizing operations. By continuously enhancing my skills in customer service and technical support, I hope to make a positive impact in the virtual assistance space.

Professional Work Experience

Shopify Store Manager / E-commerce Store Manager

Phoenix Automotive **Full-Time**

August 2023 - August 2026

As the Shopify Store Manager at Phoenix Automotive, I orchestrate daily e-commerce operations, ensuring seamless integration of customer experiences and operational efficiency within a dynamic online retail environment. I actively engage with our customer base, fostering strong relationships and enhancing satisfaction by providing high-touch customer service and technical support whenever necessary. This hands-on approach not only resolves immediate customer inquiries but also drives a deeper understanding of client needs, allowing me to develop targeted strategies that optimize user experience and boost retention rates. By leveraging data analytics and customer feedback, I implement innovative solutions that streamline service processes and elevate overall store performance. My commitment to excellence has contributed to a significant increase in customer satisfaction scores, which improved by 25% within six months and resulted in a marked increase in repeat business. I continuously monitor key performance indicators to adjust operational tactics smartly, ensuring that the store consistently meets and exceeds revenue targets in the competitive e-commerce landscape.

Client Relations Manager

Phoenix Automotive **Full-Time**

August 2022 - August 2023

As a Client Relations Manager at Phoenix Automotive, I successfully spearheaded initiatives to enhance customer satisfaction and retention across our extensive client base. Tasked with managing relationships with key accounts, I implemented comprehensive communication strategies, resulting in a 30% improvement in customer engagement scores over a six-month period. I led the development of personalized service offerings, effectively addressing client needs and driving sales growth by 15% annually. By orchestrating regular feedback sessions and conducting client satisfaction surveys, I was able to identify and resolve potential issues proactively, significantly reducing churn rates. Additionally, I collaborated with the sales and marketing teams to design targeted campaigns that promoted new product launches, further elevating our brand presence in the automotive sector. My role also involved analyzing client data to inform decision-making and support operational improvements, ultimately streamlining service delivery processes. Through these efforts, I consistently contributed to enhancing the overall client experience and achieved recognition as a top performer within the company.

Shopify CSR & TSR

Phoenix Automotive **Full-Time**

August 2020 - August 2022

As a Client Relations Manager at Phoenix Automotive, I serve as the primary liaison for customers across multiple platforms, managing high-volume inquiries through email, live chat, and phone using Freshdesk's omnichannel capabilities. I deliver high-touch technical support by troubleshooting complex issues related to Android operating system head units, wiring harness configurations, CANBUS settings, and firmware updates, ensuring optimal performance for customers. Conducting virtual diagnostic sessions and step-by-step technical walkthroughs via Google Meet, I efficiently resolve inquiries and enhance customer satisfaction. To optimize workflow and ticket management, I systematically organize and escalate complex technical tickets within Freshdesk, successfully maintaining a high First-Contact Resolution (FCR) rate and low SLA response times. I also keep comprehensive logs of recurring hardware and software issues, enabling the technical team to proactively update self-service knowledge base guides. By managing automated customer flows and transactional notifications using Klaviyo, I contribute to improved customer engagement and retention, driving an enhanced end-to-end customer journey while leveraging integrated e-commerce support tools to facilitate smooth operations.

Trainings & Certifications

freight logistics

Phoenix Automotive

2025

Completed the Freight VA training at Phoenix Automotive, focusing on essential skills in logistics management and freight operations. Gained in-depth knowledge of supply chain processes, freight forwarding, and inventory control systems. Learned to utilize key software tools, including transportation management systems (TMS) and tracking technologies, enhancing efficiency in order processing and shipment tracking. Developed competencies in problem-solving and communication, enabling effective collaboration with vendors and clients. This training empowers me to optimize shipping operations and contribute effectively to logistics teams.

CSR & TSR

Phoenix Automotive

2020

Completed training in Corporate Social Responsibility (CSR) and Total Stakeholder Responsibility (TSR) at Phoenix Automotive, which equipped me with essential knowledge on implementing sustainable business practices. Acquired skills in stakeholder engagement, ethical decision-making, and environmental impact assessment. Learned to develop CSR strategies that align with organizational objectives and enhance brand reputation. Practical applications include leveraging data analytics for impact reporting and fostering community relations to drive social change. This training significantly enhances my ability to integrate responsible practices.

E-Commerce Operations and Digital Store Management

Phoenix Automotive / E-Commerce Division

2023

The Initial onboarding at Phoenix Automotive's E-Commerce Division provided extensive training in multi-channel client communication, equipping me with skills to effectively engage customers via various platforms. I learned conflict resolution techniques applicable in high-pressure situations, enhancing client satisfaction. Hands-on experience in troubleshooting automotive electronics honed my technical problem-solving abilities. Additionally, I gained proficiency in customer relationship management (CRM) tools, allowing for streamlined interactions and improved client retention. These competencies directly enhance my professional capabilities in a competitive automotive service environment.

Shopify Store Management and Administration

Phoenix Automotive

2023

Completed training in Shopify Store Management and Administration at Phoenix Automotive, acquiring essential skills in e-commerce platform navigation and store optimization. Gained proficiency in product listing management, payment processing, and inventory control, alongside understanding customer relationship management (CRM) tools. Learned effective marketing strategies, including SEO best practices and social media integration, enhancing online visibility and sales performance. This training equips me to streamline store operations, enhance user experience, and boost sales, positioning me effectively for roles in e-commerce management.
